

The Cardinal

Volume 1, Issue 1

ELLENDALE, NORTH DAKOTA

January, 1951

Editorial

This is the first edition of the school paper. In this edition and in future editions we, the staff, shall try to report the news from every corner of the school.

A school newspaper is essential to a progressive school. From this newspaper all students and parents can learn what the school is doing. It is also important that the news be written by the students themselves. By writing news articles the students become interested in school activities when scouting for material and they also become more interested in the local, state, and national newspapers. The readers take pride in a paper published by their classmates.

Will everyone please make this an interesting paper by letting reporters know what is happening in school. We will print all news that is fit to print.

NEW SEMESTER—NEW CLASSES

The discontinuance of old classes and the beginning of new ones come with the new semester.

Psychology was completed and in its place is commercial law taught by Mr. Ingvalson. Agriculture was also completed and Mr. Wilson is teaching physical geography in its place. Solid geometry, another course that was finished, was not succeeded by trigonometry as some students had hoped. Mrs. Strand is continuing the second semester of bookkeeping and has added economic geography to her schedule. Mrs. Brouillard has also added a new subject to her schedule, home living.

What's happened to the typing class? It seems that all but seven have dropped it this semester.

HATS OFF!

So much has been said about our fine athletic teams that we seem to overlook other fine organizations. For this reason, we ought to congratulate Mr. Melby and the band. A fine band is a credit to any high school and we are proud of ours, for we consider it second to none.

A cordial invitation is extended to the pupils and residents of Ellendale to attend an unusual program on February 12. The lyceum number, "Music Unlimited", will be sponsored by the high school band. The band will initiate their new uniforms when they open the program with a short group of snappy selections. The main attraction of the evening will be Vernon Ishmael and Patricia Lindemann, talented young musicians. Mr. Ishmael is a tenor and pianist; Miss Lindemann is a ballet dancer. Their program includes many familiar selections which will appeal to everyone.

This program promises to be an evening of exceptional entertainment. Remember the date, February 12, in the high school gym. The Band Mothers' Club will serve lunch after the program.

Admission will be fifty cents for adults and twenty-five cents for students.

CALENDAR OF EVENTS

Feb. 2—Edgeley Rangers here—Conference game
Feb. 6—Cards at Kulm
Feb. 9—Cards at Enderlin
Feb. 12—Lyceum—Ishmael (singer)
Feb. 15—Oakes—here
Feb. 22—Play Festival—Ellendale

HONOR ROLL

Seniors—Shirley Adams, Sally Crabtree, Helen Hagel, Melvina Hiepler, Joyce Hokana, Shirley Lien, Marian Martin, Loretta Mintz, Renee Olson, Arlene Retzlaff, Daniel Slemmons.

Juniors—Grace Bell, Peggy Hatfield, Marilyn Neumann, Esther Schaller, Shirley Vick, Herbert Wagner.

Sophomores—James Riley, Constance Burow, Wayne Cherney, Marilyn Hagel, Luella Hall, Yvonne Hatlestad, Angela Heine, Jo Anne Kirmis, Judith Pehl, Carolyn Pierce, Raymond Pomplun, DeForest Rall, Joanne Retzlaff, Darlene Rexinger, Marian Zinter.

To be a member of the honor roll, a student must receive an A in deportment and must maintain a B average in his studies.

PLAY FESTIVAL

The play selected for the annual One-Act Play Festival is entitled "A Certain Just Man". The cast included Joseph Bancroft, a just man, Danny Slemmons; Molly, his daughter, Helen Hagel; Miss Allen, his secretary, Loretta Mintz; Mr. Kennedy, a Minister, Robert Byrers; Mrs. Wilkins, a neighbor, Arlene Wedell; the Keeper of the King's Gate, Gary Tiegs; and the Guide of the King, Arlene Retzlaff. It is under the direction of Miss Onsrud.

The Festival, this year, is at Ellendale on February 22.

The following towns are represented in the annual event: Oakes, Edgeley, LaMoure, and Ellendale. Mrs. Clara Ingvalson of the NI will be critic.

BAND UNIFORMS

The band members will soon be attired in their new uniforms—consisting of red jackets and white trousers.

The jackets have been purchased from a fund which was raised by various organizations and band members.

At present the trousers are being bought by the band members. The proceeds from the lyceum programs and activities will be used to reimburse the members.

SENIOR PERSONALITIES

Helen Anita Hagel was born April 6, 1933. She is 5'2 $\frac{1}{2}$ " tall and has brown hair. Helen has taken part in speech, drama, glee club and all other activities for the past four years. She has been a cheerleader since she was a sophomore. She likes all sports, but basketball is the sport she enjoys most. Bookkeeping and typing are her favorite subjects.

"Midge" is the nickname given to her by her friends. She has no hobby, but her pet peeve is people who bite their finger nails. Her favorite food is roast turkey.

Glenn Miller and his orchestra is tops in music for Midge, and her favorite song is "All The Things You Are". Greer Garson and Walter Pidgeon are her favorites of the screen, and "The Bell Telephone Hour" is the program she listens to most.

In her spare time, she enjoys knitting and playing the piano.

A boy about 5'10 $\frac{1}{2}$ " tall, with blonde hair and blue eyes is her ideal.

In the future, Midge plans to teach or take a commercial course.

SOPHOMORE NEWS

At the beginning of the second semester, the two sophomore English classes will unite and study prose and poetry under the direction of Miss Onsrud.

Dell Nelson, a former classmate who is now attending school at Warner, South Dakota, was voiced over KSDN as a very wise basketball handler. We all wish Dell lots of luck in the future.

Senior women! What an inspiring subject to chat on. Drop your nuclear physics, gents, and come a-runnin'.

Of the thirty-three senior prospects forty-five and a half per cent are of the fair sex. Please don't tear your hair out figuring it out. There are fifteen. Speaking of hair, as I look at the two rows on the far side of assembly I find eighty per cent have brown hair, and you gentlemen who prefer blondes will probably be left wondering what happened to my "Blonde Blue-eyed Baby". No red-heads are to be seen, so, Guy B. you'll get used to a skirt.

Sixty per cent choose English as their favorite subject. I see I must introduce myself sometime. Mathematics is next with thirty per cent choosing it. As I make it out, a few are still worried about their figures. Ahem!

Going on down the line, I realize seventy-three and one third per cent have Ann as their middle name.

Get your notebooks out. Here are some vital statistics on the average girl. Her average height is five feet, four inches and her average weight is 115 pounds. Other measurements may not be published. Please turn in your telephone numbers.

A SENIOR PROJECT

At the close of the first six-week period the English IV class was divided into two classes with the result that much better work has been done by both classes.

Near the close of the second semester, the first class was given a technique of investigation, an outline to aid unprejudiced thinking and was divided into two groups. One group is making a study of China—her history, government, religion, philosophy, manners, customs, and social status. Through a use of the techniques, the group will try to understand China's attitude toward the West. The second group is studying Alaska in an attempt to determine why Alaska should or should not be admitted at once to the Union.

The class has been given approximately two months for this project.

THE CARDINAL

What is going to happen next? There are six senior boys—Eugene Kreiger, Robert Bymers, Garry Bowman, Eugene Burlingame, Bruce Beaver, and Melvin Martinson—taking home living, a new course this semester. Evidently they are planning to be housewives some day.

**JUST OFF
THE PRESS!**

This column will be devoted chiefly to that news which most high school students enjoy most—idle chatter.

Santa Claus was very generous this year. Evidence is the beautiful watches Dorothy Schneck, Esther Schaller, and Winnifred Cofell received from their "beaus". Dorothy Brown found a portable typewriter under her Christmas tree from her brother Donald.

EHS was well represented at the Kulm tournament, and the cheering was excellent. Our cheerleaders are sporting their sharp, new outfits.

The boys have proved themselves able dancers in physical education class. Let's keep up the lessons—prom time is rolling around.

Work on the "Redbird" will soon begin, so everyone start digging for those choice snapshots.

The Teen Canteen is opening. This is our project, kids; make it a success.

Could it be true that two of our sophomores have interests in the senior class? For more information, see J. P. and L. H.

Question of the week: How can Arlene Retzlaff afford two chauffeurs every noon, or do Alfred Trautman and Marvin Brandenburger "taxi" free of charge?

FRESHMAN NEWS

The freshmen that received the highest grades in the standard English tests are: Mary Ann McClellan, Blondell Zimmerman, Harriet Schaller, Ned Leiby, Lowell Edwards. Those receiving the highest in algebra are Ned Leiby, Mary Ann McClellan, Harriet Mock, Delbert Nelson, Keith Noess, DeForest Hall, Robert Schaller, Blondell Zimmerman.

KIDDIE KAPERS

EIGHTH GRADE NEWS

Tuesday, January 16, the junior high basketball team was to have played the Oakes junior high team, but the Army got their coach Mr. Carlson.

On Wednesday, January 31, the junior high will play the Ashley team. Ashley has lost only one game, and the game here promises to be a good one.

SEVENTH GRADE NEWS

We have had good attendance through all of the cold weather. Virginia Weispfenning has been absent over two weeks because of illness. We hope she will be back with us soon. James Zimmerman has left us and gone to California for one month.

We have collected for the "March of Dimes". We took in \$8.10. Our new student teacher is Idelle Dietz.

We are reading the "Adventures of Remi", the story of a French orphan boy.

SIXTH GRADE NEWS

We just finished our six weeks' tests. Most of us got good marks. Billy Ashmore and Beverly Rogers were absent but got to do their science test later.

Miss Kirmis is our student teacher. This is her last week with us. We hate to see her go.

The sixth and seventh grade have played two basketball games against each other. Each has won a game.

We started Music Appreciation Monday. Most of us like it.

We had experiments in science. One was to take a door bell and two dry cell batteries and make the door bell ring.

FIFTH GRADE NEWS

Patsy Brandenburger moved to Weslaco, Texas, after Christmas. Janice had a letter from her saying that they were using the same spelling and geography books in Weslaco that we are using here.

Ronald Zimmerman has gone to California with his parents and plans to be gone about a month.

Mrs. McClellan had a letter from Robert Lee. Robert was in our class the first three months of the school year. He now lives near Fullerton.

Curtis Molm has enrolled in our grade. He came here from Bel-field, North Dakota.

FOURTH GRADE NEWS

We are having interesting travel reports from Doris Clancy, Edwin Sand and Gary Wright, who traveled to other parts of our country during Christmas vacation. Edwin went to California, Doris to Chicago, and Gary to Montana.

We are sorry to lose Mavis and Frances Albertson from our grade. They moved with their parents to Montana.

After completing the midyear Weekly Reader Test we find those nearest the top are Kathleen Nelson, Sandra Weispfenning, Wayne Morehead, Mary Ann Lewis, Curtis Neumann, Edwin Sand, and Jane Oxenrider. Several others are not far behind.

Our attendance record is not as good as in previous weeks, due to illness. Dickey Peyton was sick with flu during Christmas vacation.

THIRD GRADE NEWS

We took our mid-year Weekly Reader test a week ago. Patty Wallace scored highest with 59 out of a possible 60. Beanie Crabtree had a score of 57, and Mary Elaine Crabtree followed with 56.

The following people had perfect attendance last semester: Dennis Ackerson, Carol Hall, Orlin Hartman, and Judy Klein.

Children playing in the snow in our front bulletin scene, and our windows are decorated with snowmen.

SECOND GRADE NEWS

We are studying about Eskimos. Yesterday we made some Eskimo boys, dogs and igloos.

We have brought pictures of ways to haul mail and stamps from different countries.

We have made a post office and are writing letters to boys and girls in the second grade in Hughson, California.

Thursday, when Dennis showed us his loose tooth, we brought pictures of food that help make strong teeth and made a poster.

ODE TO THE WEATHERMAN

When you whip up a storm,
Take into consideration
We students wouldn't mourn
If given a day's vacation!

COMPLIMENT:
Applause that refreshes.

FIRST GRADE NEWS

Some of us, including the teacher, are glad to be back in school busy again. A forced vacation is no fun.

Twice a week Mrs. Hill comes into our room to help us with our rhythm work. She started helping us after our Christmas vacation. It is fun now, but wait and see what we do next.

Thanks to our moms and dads we won the PTA dollar prize. This will buy us a nice library book.

Our mother's regular meeting will be this Friday afternoon. Mrs. Myhrum is to give the topic. Plans for February will be discussed. You know what comes in February, don't you?

PRELIMS

Recently some of the preliminaries of the Ellendale Cardinal games have been played between the sixth and seventh grades, coached by Freddie Retzlaff. The sixth grade won the first game, 16-9, earlier in the season, but the seventh grade came back to win the second 16-8. In the latter, John Crabtree and Allen Hill paced the seventh graders, scoring with six points each; while Bobby Hagen got four points for the losers.

We hope to have many more games this season. Be sure to come out and see us.

Music Notes

The Boys' and Girls' Glee Clubs have begun work on their individual selections for the Choral Festival to be held in the spring. Each group meets twice a week. A very beautiful and well-liked number by the Girls' Glee Club is "Spirit of God Descend Upon My Heart" in addition to others equal to it. The Boys' Glee Club has been practicing spiritual songs and typical boys' favorites along with novelty numbers such as "Dear Old Donegal".

The Mixed Chorus has not had its usual weekly practice since Christmas, but practices will be resumed very soon. The numbers consist of a wide variety, varying from the religious selection "Lamb of God" to the old time favorite "Smoke Gets In Your Eyes" or the lighter novelty numbers, such as "Skip to My Lou".

MAGRUM, THE MAGICIAN

Magrum and his many tricks proved to be one of the most interesting lyceum numbers we have yet seen. The program was scheduled for January 23, but because of the snow storm, it was delayed until January 25.

Magrum's many sleight-of-hand and cardtricks were very entertaining. He showed the audience several card shuffles. Everyone seemed to think his Ellendale shuffle was the best.

An accordion-pleated piece of paper, which could be bent in every direction to represent almost anything, brought laughs and applause. Magrum even made a baby crib for Danny Slemmons. As if he needed it!

We should have magician shows more often. If every show brought out as much local talent as this one did we could very well be proud! Eugene Burlingame disappeared behind the curtain with a quart of milk. The milk appeared again, but Burly didn't. Who knows? He may be a magician some day. Two other students, Eugene Krieger, and Danny Slemmons, also helped out. I'll bet no one knew before that you could get milk from Eugene's elbow.

Danny and Eugene were well rewarded for their help. They each received a paper bill. I wonder what would happen if they tried to cash their money.

All in all, the program was very entertaining.

WHO IS IT?

Two pretty blue eyes,
Lanky and tall,
No flashy ties
But he's "on the ball".

Sports News

OAKES GAME

Well, it was a good try, but the Ellendale Cardinals lost to their arch-rivals, the Oakes Tornados, 44-42. The defeat cost Ellendale a double lose as it was also the annual cowbell game.

The game, however, was true to Oakes-Ellendale tradition, looking at times more like a football game than a basketball game.

The rocken - socken type of basketball played by both sides, however, lost only one man from each side on fouls. This was mostly due to the very poor reffing of the ball game. It seemed if you didn't knock a man down and break his leg it wasn't a foul; and no matter how great the body contact, the refs could not make up their minds who was guilty of the foul so they would call a jump-ball.

The Cardinals played goodball, leading most of the game, but Oakes kept right on their tails until the last seconds when they pulled ahead to put it on ice.

Danny Slemmons and Bruce Beaver led the Cards' scoring with fourteen and ten points, respectively.

There was a fine crowd from Ellendale at the game and I'm sure the boys appreciated your support. Come again!

Ref ?

TEEN CANTEN

The first meeting of the Teen Canteen was held January 26 in the old gymnasium. It was sponsored by the American Legion Auxiliary, who furnished the lunch and provided two chaperones.

The committees, which were chosen alphabetically, are as follows: Entertainment—Shirley Adams, Grace Bell, Connie Burow, Shirley Aberle, and Margaret Ashmore; Cleanup—Raymond Barton, Kendall Cofell, Marvin Clausen, Beth Ashmore, and Pat Ashmore.

THE KULM TOURNAMENT

Although the Ellendale Cardinals took last place in the Kulm Invitational Tournament on January 19-20, they showed much improvement over their early encounters. They lost the first game by a score of 47-49 to Lamoure. However, that 47 points was the most points scored by EHS in two years. In the second game, for consolation, Ellendale lost to the hosts, Kulm Gophers 49-42. This game was a great improvement over the 53-31 trouncing they gave us on our floor before Christmas.

The main reason for this improvement is the fact that we are getting more rebounds than we did before. Gary Edwards and Bob Higgs are holding their own with boys that are two or three inches taller than they are. When the opposition does get the ball, Don McShane and Bruce Beaver are there, harassing them when they come down with it.

Another important reason is that the team are making a better percentage of their shots. They sank to an unbelievable low before Christmas against Edgely when the Cards made only seven per cent and got beat 47-17. Now they are making between thirty and forty per cent in every game.

There still is much room for improvement, however, in free throws and defense. Against Lamoure, the Cardinals made only 10 for 24 from the free-throw line. Coach Ringham has been emphasizing free throws since that game.

At the rate the team has been improving since Christmas, the Cardinals are bound to give the opposition plenty of trouble during the last month of the season.

January 19 at the Kulm Invitational Tournament, the Ellendale twirlers gave their first performance at an out-of-town basketball game. The Kulm High School Band accompanied the girls' silverbats as they entertained sport fans during the half-time of the Ellendale-Lamoure game.

Esther Schaller, Dorothy Brown, and Grace Bell received a few pointers on twirling from Mr. Bosman, head of the VFW band in Aberdeen, before the first performance of this year's team at the Ellendale-Britton game here December 5.

This year a junior twirling team has been organized. The following freshmen and sophomore girls are on this team: Katherine Dobler, Joanne Woodward, Anna Mae Davis, LaPalma Tiegs, Darlene Dakhe, Darlene Rexinger, and Carmen Phillips.

The Cardinal

Volume I, Issue 2

ELLENDALE, NORTH DAKOTA

February, 1951

KEYSTONE HONOR SOCIETY

The time has come when the faculty are beginning to consider those to be elected to the Keystone National Honor Society.

All elected to this society must be in the upper one-third of the class in scholarship. Only five per cent of the junior class and fifteen per cent of the senior class may be elected.

The qualities necessary for consideration are scholarship, leadership, character, and service.

The list of those eligible for membership is presented to the faculty and final selection is made by the vote of the faculty.

Induction of Keystone members is held each year as part of the Senior Class Night Exercises.

E.C. INGVALSON ATTENDS CONFERENCE

Superintendent E.C. Ingvalson attended a conference and workshop for superintendents in Bismarck on Monday and Tuesday, February 5 and 6. The meeting was sponsored by the North Dakota Administrators Association.

Current school problems which the school administrators of the state must help to solve were discussed during the two-day meeting.

To facilitate discussion and to permit as many as possible to take part, three discussion groups met simultaneously. Mr. Ingvalson served as chairman of the panel discussing the topic "Exceptional Children and Youth Conservation."

A dinner meeting was held on Monday evening at the Patterson Hotel. Honor guests and speakers were Governor Norman Brunsdale, and Dr. John West, president of the U of North Dakota. The mayor of Bismarck was also present.

Returning home Tuesday evening Mr. Ingvalson and his party, including the superintendents of Oakes, LaMoure, Edgeley, and Kulm, reached Jamestown in weather that approached blizzard conditions. It was decided to remain in Jamestown until morning. Starting from Jamestown about 8:30 AM, it was assumed that 281 would be open, but a three hour wait was necessary ten miles north of Edgeley before the road was cleared. With the exception of this forced delay, the trip was most enjoyable.

TEEN CANTEEN OPENS

The second meeting of the Teen Canteen was held February 2, in the old gymnasium. It was sponsored by members of the Tuesday Bridge Club, who chaperoned and provided the lunch. Committees composed of Canteen members were in charge of entertainment and cleanup.

This new project is student instigated, student governed, and PTA sponsored. First action was taken by the student body in October when a petition was presented to the PTA. A committee composed of Mr. Clark Ringham, Mr. Carl Klein, and Mrs. John Ackerson of the PTA, and Peggy Hatfield, Joyce Hokana, and Sally Crabtree of the student body, then drew up a general program outlining the proposed aims and activities of the Canteen. This program was accepted by the PTA at their December meeting.

The present program, which went into effect at the first meeting, is designed to make the Canteen as much student governed as possible. There are four officers: president, Sally Crabtree; vice-president, Roger Kendall; secretary Esther Schaller; and treasurer, Shirley Adams. This is the regular governing body, but a Council composed of two students, Joyce Hokana and Derril Wedell, and two members of the PTA, Mrs. Senn D. Slemmons and Mr. Tony Hagel, is in existence primarily to solve problems which might arise.

Meetings are held every Friday from 7:30 to 11:30 and are sponsored by a different club each time. Most Ellendale clubs have agreed to provide two chaperones and a lunch, which they sell at cost.

Anyone who is a member of junior or senior high may obtain a membership card for thirty-five cents and may bring one guest for an extra ten cents. Two members of each class are chosen alphabetically to serve on the entertainment and cleanup committees respectively. At present one may dance, play cards, or play ping pong, and in the future the entertainment committee will provide a short program, presented by various members of the organization.

Cont'd on next column

SENIOR PERSONALITIES

Robert Bymers, or just plain Bob, was born November 5, 1930. His pet peeve is people who blow bubbles while chewing gum.

Bob's nationality is Dutch, Scotch, and Irish. His pet expression is "Go jump in the lake"; his favorite movie is "Miracle on 34th Street"; his favorite radio program is "Amos and Andy"; and tops in songs is "The Tennessee Waltz".

Bob is 5'8". He has blue eyes and brown hair. He likes mashed potatoes and roast beef with plenty of gravy, the acting of June Allyson and Gregory Peck, bookkeeping and biology, and loafing, if there isn't anything else to do.

Bob's favorite sports are track, football, and baseball. His great track ability contributed much to the winning of the State Track Meet last year. Bob received two awards.

In the future Bob plans to farm.

Melvina Hiepler was born March 3, 1933, in Winship, South Dakota.

Melvina's nationality is German. Her pet expression is "Your crazy." Her favorite movie is "For Whom The Bells Toll", her favorite book is the Bible, her favorite radio programs are any musical, and her favorite song is "I'll Never Say I Love You".

Melvina is 5'4". She has blue eyes and light brown hair. She likes people who are energetic, all green salads, the acting of June Allyson and Robert Taylor, mathematics, basketball, sleeping, modern dancing, the singing of Perry Como and Jo Stafford.

She just can't stand people who chew gum at a dance.

"Mel" (her nickname) has won many achievements in 4-H Club, of which she has been a member for four years.

She doesn't have any definite plans for the future.

Only two rules have been made, thus far, concerning conduct. There is to be no smoking or drink - ing and members may not go above the first floor of the school building. Students are expected to conduct themselves in such a way that no further rules will be necessary.

JUNIOR NEWS

FRESHMAN NEWS

HOME ECONOMICS DEPARTMENT

The girls are busy in home economics. The seventh graders are learning how to knit, and the eighth grade are sewing skirts. As for the ninth grade, they are being different. The "B" class go to the NI for food's class. The "A" class are studying "Budgeting and Buying". Anyone coming to the home ec. class will hear chattering. This will be the sophomores. You can also hear cutting of scissors, and the clicking of machines and needles.

Kiddie

EIGHTH GRADE NEWS

On Tuesday, January 30, we elected new class officers. They are as follows: president, Donald Anderson; vice-presidents, Kay Crabtree and Myron Gerdon; secretary, Leona Schaller; treasurer, Marie Kangas and reporter, Calvin Vick.

Last week our class saw an interesting movie intitles, "Song of the Pioneer."

SEVENTH GRADE NEWS

James Zimmerman is still out on the West coast at Lodi, California. We are hoping he will have many interesting things to tell us when he returns.

Virginia Weisphenning, who has been absent three weeks due to illness, expects to be able to return to school this week.

We all enjoy music appreciation and look forward to those classes on Monday, Wednesday, and Friday.

We are working on a science notebook which will be a summary of our entire science course. Science ends this week, to be followed by a health and hygiene course.

In our home economics classes we are learning to knit.

This week is Boy Scout Week. On Thursday evening there is to be a Father and Son banquet served and cooked by the scout mothers.

SIXTH GRADE NEWS

Bobby Babcock was ill and out of school for four days. Meredith Crabtree, Donald Nelson, and Donald Rowe have also been absent because of illness.

We had a Young Citizens' League meeting Friday, February 2. Plans were made for the Valentine party.

The sixth and seventh grades had a basketball game with the junior high. The boys of the grades were proud because they defeated them.

We are studying about the Soviet Union in geography. So far we have compared their government with ours and studied the regions.

Seventeen people received 100 in the spelling test last Friday. This week we are planning on every one's getting 100.

Miss Carlson is our new student teacher. Last week Mr. Dietz was in our room.

FIFTH GRADE NEWS

With the help of Mrs. Heckman we surprised Mrs. McClellan on her birthday Thursday, February 1. We all brought our own pop. Janice Evans and Sharon Stahlecker brought cookies. Rosalie Schaller brought cupcakes while Karen Klein brought chocolate covered cherries and Lois Franz furnished the cake.

Mrs. McClellan, too, had a surprise for us. We opened our Cracker Jack while the teacher opened her gifts and cards.

Many have missed school because of illness. Lois Bell, Katharine Robinson, La Verna Rogers, Beverly Pickar, Curtis Molm were on the sick list.

We are adding like-fractions in arithmetic.

Mrs. Nellie Devitt and Miss Betty Schnoor were our student teachers. Mrs. Devitt taught our geography class three days.

THIRD GRADE NEWS

Our puppet show will be held on Valentine's Day. Some of the boys in our room made a stage, and each one of us is working on his own puppet using a used electric bulb as its head. The girls are planning a scene of a school room, and the boys are going to have a circus.

Reading class I are having fun riding in their own little paper car put up on the U.S. map which is hanging on our walls. We are crossing the U.S. on the Lincoln Highway. The pupil who reads perfectly may move his car to the next town. The rest of us are enjoying the map also.

Our valentine box is a miniature of a rural mail box. It's fun to send our valentines in a mail box.

The third grade won a \$3.00 prize for the highest PTA membership. We are going to buy library books with it.

SECOND GRADE NEWS

We have completed our post office and have written thank-you letters to each other. Now we are patiently waiting to hear from our 2nd grade friends in California.

We are glad to welcome Sharon Dockter into our room. Now we have 13 girls and 28 boys.

Mr. Dietz is a helper in our room this week. He is going to help the Canaries Class.

Dennis, Bertie, Alton, Elaine, Dale, Kenneth, Carole, Ronnie, Ricky, Rodger, and John Allen have a loose tooth. They are going to eat the right foods to help make their new teeth strong.

Kapers

FOURTH GRADE NEWS

Sheila Volz brought a treat of cookies and gum for the class on her birthday, Jan. 24. We enjoyed it and sang a "greeting" to Sheila in return.

In arithmetic we are working hard on the tables of 7, 8, and 9's.

Those having perfect spelling lessons for the past week were Dennis Stucker, Janet Kempf, Jane Oxenrider, Harry Sheifele, Edwin Sand, Deanna Erion, Tommy Schonberger, Sandra Weisphenning, Freeman Watson, Kathleen Nelson, Lyle Robb, Wayne Morehead, Dennis Hasz, Curtis Newmann, Doris Clancy, Nancy Dahl, Sharon Spitzer, Dickie Peyton, Mary Ann Lewis, Tommy Ashmore, Sheila Volz.

FIRST GRADE NEWS

Any day you may step in our room and read our news notes on the north blackboard. It is surprising how many new words we learn by writing and reading our "First Grade News".

Jimmy Bertsch, Jimmy Franz and David Maack are our milk men for this week. They assist in carrying the crate of milk bottles and clean up after the milk is served.

Miss Schnoor, a student of NI, is our new assistant teacher for the next two weeks during our morning reading classes. It will be an honor to be chosen to work in her group.

Thanks to the PTA for our prize of one dollar. With it we have purchased A Big Golden Book entitled "Words—How They Look and What They Tell." Every story is surrounded with colored named objects that are taken from the story. These pictures with several full pages of colored illustrations make a most interesting and colorful book for our library.

Last week we received a new book of animal stories with greetings from Mrs. Scribner. Many thanks, for you know how we enjoy stories.

The Mothers of the First Grade met at 2:30 PM last Friday. Plans are made to make Valentine's Day a happy occasion for our grade. Mothers of the following pupils attended this meeting: Timmy Bertsch, Johnny Blatter, Susan Crabtree, Billy Klein, Gordon Moorehead, Carvel Myhrum, Richard Rowe, DelRoy Stephens, Joey Volz, James Walsh, Karen and Sharon Weisphenning, Howard Franz and Marie Jundt's aunt, Mrs. Sheifele.

Sports Review

LAMOURE TRIMS ELLENDALE, 47-36

Saturday, January 27, LaMoure beat Ellendale to the tune of 47-36 on the Ellendale floor. It was a closely fought game for the first two quarters and well into the third, but then the Ellendale defense fell apart and Iverson of LaMoure pushed in five quick setups that gave the Lobos a lead that Ellendale could never challenge.

Aside from their lapse in defense in the last part of the third and early part of the fourth quarters the Cards looked like the much improved team they have been in their three previous games.

Don McShane played an outstanding game for the Cards, and led the Ellendale scoring with 12 points, while Danny Slemmons turned in his usual good all-around performance in the third quarter.

Iverson with 16, and Holt with 13 points looked best for the Lobos.

Four starters and substitutes fouled out for LaMoure in the closely fought contest.

In view of the brand of ball the Cards have shown in these last four games, they may become a tough team to beat by tournament time.

The summaries:

LAMOURE

	FG	FT	PF
Iverson	8	0	5
Holt	5	3	5
Aarseth	0	0	5
Anderson	3	2	5
Ohnstad	1	1	4

Pomplun	0	0	0
Totals	10	17	18

Have you heard about the little **MONK** that cut off his arm so he could wear sleeveless sweaters?

EDGELEY TOPS ELLENDALE, 46-36

In a game that saw neither team play up to its capabilities, Edgeley beat Ellendale 46-36 Friday, February 2, on the local floor.

Both teams played at top speed from start to finish, and perhaps that had something to do with the very ragged playing that was present throughout the game.

Bruce Beaver with 10 and Harley Stahlecker with 8 points paced the local attack, with many of their points coming on passes from Danny Slemmons. The floor play was quite even.

Lawrence Deutz of Edgeley was high point man for both teams, as he dumped in 10 field goals and 3 free throws for a total of 23 points. Deutz was beyond all doubt the standout on both offense and defense for either team.

Edgeley held period leads of 13-9, 25-14, and 33-20.

SUMMARIES:

ELLENDALE

	FG	FT	PF
Beaver	1	3	5
McShane	4	4	2

WHO IS IT?

A small redhead
With eyes of green,
Her ideal (so it's said)
Is on the team.

SULPHUR EXPERIMENTS

High school on fire? Oh no, not yet. That horrid smell that was forcing itself through your nostrils Thursday morning, February 1, was created by the chemistry students. It was a result of several experiments with sulphur. The experiments which contributed the most to that pungent odor was the forming of amorphous sulphur. The students heated half a test tube of powdered sulphur until it melted. After the sulphur had melted, it was heated until it boiled. The boiling sulphur was then poured into a beaker of cold water. The result was amorphous sulphur, but the by-product was something no girl would be proud to use. It certainly wasn't the best perfume on the market. Helen Hagel wasn't affected by the smell in the least. Why not? Let me tell you. While the rest of us were gasping and choking, Helen was immensely enjoying the break-fast she didn't have time to eat at home. Maybe she liked the atmosphere.

YOU JUST CAN'T BEAT

BURLY'S BRIEFS

Senior gentleman? Ah, yes, the red-blooded American boy of today. Today man is talked about by more women than ever before. Seems these boys are taught how to run a government, but nobody has yet suggested to teach them how to run a woman. Watch out, gents, or they'll drive you crazy.

The average senior boy weighs approximately 158 pounds and is idolized by all of the fair sex. You roly-poly gentlemen had better watch that tough diet.

The majority of EHS's gents come in the average height. Girls, you have a most varied selection here. Even one certain individual has dark wavy hair with ringlets falling over the left eye. There happen to be eleven cases of brown hair and blue eyes because I figured it out. Joyce Hokana, it seems, found a scarcity of extra tall gents of six feet and over.

I want to pass on Delbert Jury's advice to you seniors-to-be not to skip your Wheaties.

Eight senior boys played football during 1950. The real spirit, gents. Two seniors, Bruce Beaver and Danny Slemmons, spark our basketball team. Bob Byrners is our track star.

The two top ranking vocations to be followed after high school are agriculture and medicine. Marvin Martinson regards home living as a course to make a better bachelor farmer.

The Cardinal

Volume I, Issue 3

ELLENDALE, NORTH DAKOTA

February 28, 1951

ELLENDALE DUMPS OAKES, 46-39

The Cardinals broke into the win column for the first time of the current cage season by winning an all-important game from Oakes, their traditional rival, by the score of 46-39.

The game was typical of previous Oakes-Ellendale encounters—a closely fought, hard played contest that saw the rooting sections practically go wild when their respective teams made a basket.

After trailing 20-14 at half-time, Ellendale went ahead to stay midway in the third canto, displaying one of their better games thus far this season.

Although seemingly well-matched it was Ellendale's superior teamwork that paved the way for its first win in fifteen starts.

Gary Edwards led the scoring for both teams with 19 points, and turned in an outstanding performance.

Lambert with 11, and Bassingwaite and Foster with 9 points each sparked the Oakes attack. Bassingwaite played very good ball throughout, as was evidenced by his passing, and numerous interceptions.

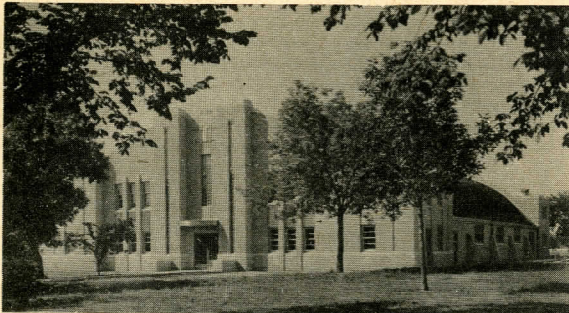

BRUCE BEAVER INJURED

Bruce Beaver injured his right leg in the Kulm game on Monday, February 19. Following the game, he was taken to St. Luke's hospital in Aberdeen. X-rays revealed a strained tendon, and he was released Tuesday morning.

Ellendale High School was given the privilege of preparing musical selections for the radio station KSN, Aberdeen, on a program sponsored by the business men of Ellendale. The first program was given on Friday, February 23, from 7:00 to 7:30. The program consisted of five marches played by the high school band, directed by Winton Melby, and a number by the Flora-dora Sextet, who are students of the NI. These programs will be given every Friday for eight weeks.

Scene of District Tournament

PLAY FESTIVAL

The sixteenth annual Play Festival, sponsored by the Elce Activities Association, was held in the Ellendale High School auditorium on Thursday, February 22.

A comedy "Nobody Sleeps" by Buernsey LePelley was presented by the Oakes High School. "Echo", a drama by Robert Kasper, was the presentation of the LaMoure High School. The play cast representing Edgeley High School also gave the comedy "Nobody Sleeps". The Ellendale High School presented a drama entitled "A Certain NistMan" by Anne C. Martens.

A piano solo by Joyce Evans, musical selections by the Ellendale Boys' Quartet, and a piano duet by Shirley Adams and Sally Crabtree were the musical selections between performances.

A lunch was served in the small gymnasium for the critic, directors and play cast members after the four plays had been given. Following the lunch, Mrs. Clara Ingvalson of the NI speech department, gave an analysis of the plays.

PLAY FESTIVAL PROPERTIES COMMITTEE

The following students were members of the Play Festival properties committee: Marilyn Neuman, chairman, Betty Houghton, Stanley Kern, and Herbert Wagner.

Isaac Hill and Douglas Bell had charge of the lighting.

BUY A "CARDINAL"
to send to a
SERVICEMAN

On March 1, 2, and 3 the Ellendale gymnasium will be the scene of the annual District 1, Class B basketball tournament.

The schedule for the first games is as follows: Kulm vs. LaMoure, Thursday at 4:00; Lisbon vs. Ellendale, at 7:15; and Edgeley vs. Oakes at 8:30. Enderlin drew the bye. The tournament will resume at 7:15 Friday evening. There will be one game Saturday morning and one in the afternoon. On Saturday evening the play-off games will be held.

DON'T STRAIN YOURSELF, BURLY!

The first division of English IV went to class as usual Monday, February 19, but somehow the room seemed to have taken on a new atmosphere. The students' attention was centered upon a puddle of water which was being formed from a leaky ceiling in the northeast corner of the room. Miss Onsrud very politely asked Burly if he wouldn't please get something to catch the water. We all expected him to come back with a fairly large container as the ceiling was leaking over a wide area. But not Burly! He had to come back with an empty coffee can with which he caught one drop of water. He promptly realized this would never do and left the room only to come back with a tub and a pail. This satisfied everyone and the class resumed the lesson for the day, being interrupted only by the soft musical sounds of the water hitting the empty containers.

"What part of the car causes the most accidents?" "The nut that holds the steering wheel."

SOMETHING TO THINK ABOUT

In the Condordian, the weekly newspaper of the Concordia College, this item caught my interest. I believe all students should take it to heart and think about this quote:

"Have we forgotten that cheating is outright robbery? That cribs, or pre-arranged signals or roving eyes are just as much methods of stealing as breaking into a store downtown? For aren't we stealing knowledge from others? Aren't we pilfering a higher grade from one of our fellow Cobbers who really deserved and would have received a higher mark—had we not taken unfair advantage of him through cheating?"

And as long as we're being serious, let me remind all students of EHS that we are the hosts and hostesses of the other students who are attending the basketball tournaments. Yes, this is your home town and these other students are your guests. Please treat them as you would treat guests at your home. During the games there should not only be good sportsmanship among the basketball players, but good sportsmanship among the fans. Never let it be said that the students of Ellendale are poor sports and poor hosts.

VARIETY IS THE SPICE OF LIFE

The bulletin board got quite a work-out during the week of February twelfth through the sixteenth. Various members of the student body united to declare special days. The entire week was "tie" week for the boys and Wednesday was senior "dress-up" day. In honor of the Oakes-Ellendale game, Thursday was declared color day. Mrs. Strand's red and black outfit must have been the inspiration that caused us to win the game. Friday was a day for the underclass women; they wore huge hair ribbons and socks of different colors.

WHO IS IT?

Cute and small
 Her eyes are blue
 Her man plays ball
 She's plenty bright too.

Work on the Redbird of '51 has begun. Sally Crabtree is the editor of this year's annual, Robert Bymers is the assistant editor and Renee Olson is business manager. The committees have been chosen as follows: athletics—chairman, Danny Slemmons, Bruce Beaver, Delmer Hiene; music (vocal and band)—chairman, Marlene Olson, Duane Wanttie, Isaac Hill; snapshots and pictures—chairman, Delbert Jury, Robert Bymers, Bruce Edwards; dramatics and speech—chairman, Helen Hagel, Arlene Retzlaff, Winnifred Cofell; class history—chairman, Marian Martin, Dorothy Brown, Dorothy Schneck; class prophecy—chairman, Shirley Adams, Gary Tiegs, Arlene Wedell; class will—chairman, Eugene Burlingame, Melvin Martinson, Joyce Hokana; art work—chairman, Derril Wedell, Raymond Peterson, Shirley Lien; class poem—chairman, Loretta Mintz, Renee Olson; advertising—chairman, Guy Bobbe, Eugene Krieger, Raymond Bar-

Gossip

It seems a little blonde junior boy named Speed has been heard singing "Margeie".

Who is it that finds D. J., a mighty senior, very interesting? Inquire in the freshman section.

In an earlier issue you will probably recall the two sophomores who are interested in the seniors. Well, one of them just blossomed out with a class ring.

On an excursion to Forbes Fatty Beaver, Elden Reinke, and Newt Davis had a tussle with two pounds of smoked herring. If anyone has a glass of water to spare, please pass it down their way.

Question of the week: Why is it the glee club members can hardly be heard during rehearsals, but after the bell has rung they can be heard for miles?

SENIOR NEWS

The seniors designated February 14 as their "senior dress-up day". The senior girls walked into the room in their best dresses, and heels! The boys wore suits and ties. Some of the boys even wore bow ties. I am sure everyone agrees the seniors looked pretty sharp!

JUNIOR NEWS

Preparation for our Junior Frolic is getting under way now. We held a class meeting last week and had a report from the committees that had been elected previously. "Father Takes a Wife," a one-act play, was chosen to be presented. There will also be several musical numbers and a lot of comedy. Jack Helder was elected as the general chairman.

We can't decide if we should call our American history class by its present name. It could be called a debating club. Our frequent debates make this class one of our most interesting. Just recently we had a discussion on the United Nations and world government. Grace Bell has very definite ideas about things. So do Peggy Hatfield and Shirley Vick, but their ideas are generally the opposite of Grace's. All I can say to those sitting near these girls is, "Watch out and take cover!"

SOPHOMORE NEWS

James Billey is vacationing in Florida for two weeks. What a life!

Just a word of thanks to Norman Stahlecker and Douglas Bell for the exhibition of artificial respiration in biology class.

Jean Dobler and Darlene Rexinger have been wearing autographed blouses. Pretty sharp, girls!

FRESHMAN NEWS

Junior high was proud when one of their classmates was selected to play basketball with the A team. That person is Harlen Stahlecker. "Moe", as his friends call him, has participated in thirteen games so far this season. He is a forward and a part-time guard. We all wish Harley lots of luck.

Those receiving the highest marks so far this semester in the following subjects are: mathematics, LaVetta Gerling, LaVonne Gerling, Yvonne Hillius, Emil Cherney; general science, Mary Ann McClellan, Delbert Nelson, Robert Schaller, Blondell Zimmerman, Shirley Aberle, Karen McShane, Melvin Zinter, Larry Wilbur, Harriet Mock, Marlene Schaller, Adeline Veland.

The freshmen gave a hay ride, February 14, with a lunch afterwards in the old gym. Special guests were invited.

CALENDAR OF EVENTS

Tomorrow the tournament begins
 March 13 Speech Festival at Edgeley
 March 14 Esslinger and his dogs
 Every Friday night from seven to seven-thirty is Ellendale high school night on KSDN. LISTEN IN!

SECOND GRADE NEWS

Ronnie Devitt brought a treat of candy bars to school on February 19, because it was his birthday. We sang a birthday greeting to him and he told us he was eight years old.

We are working on take-away problems in arithmetic. Every day we have a contest to see who can get the most problems right. Billy Martinson has had his name up the longest for being the winner.

In health class we have made a chart to see how many people are going to brush their teeth every morning and get a colored star by their name.

We are happy to have Miss Schnoor as our assistant teacher in our room this week.

We had a nice valentine party last Wednesday. Our grade was very glad Dale Edward's mother came over to help us pass out the lunch and valentines. Franklin Bell, Winston Bell, Elaine Molm, and Sandra Neumann brought surprise valentine cookies.

Bonnie Van Dyke, John Allen Gebhardt, Winston Bell, Ricky Rime, Judy Nicholson, John Redlin, Billy Martinson, Donna Weispfenning, Elizabeth Mehl, Johnny Martinson, Sandra Volz, Danny Strutz, Alton Heib Melvin Hall, and Kenneth VanSickle have all received five gold stars in our spelling contest.

THIRD GRADE NEWS

We are enjoying our arithmetic contests very much, and are also learning to add, subtract, and multiply very quickly. Thus far JoAnn Franz is leading in the multiplication contest, Sandra Myhrum the subtraction contest, and Bennie Crabtree the addition contest.

Our perfect arithmetic papers are put on the bulletin board daily. All of us try very hard and many are successful.

Mickey Martilla and Janice Kelly have been absent from school because of illness.

EIGHTH GRADE NEWS

In the game between Edgeley and Ellendale junior high, Ellendale got off to a good start in the first half with 30 to 10 and won the game with the thrilling score of 34 to 32.

We have some twirlers starting out in the eighth grade. They are Kay Crabtree, Leona Schaller, Beatrice Kelly, Marie Kangas, Carolyn Zinter, Marilyn Rowe, Patty Ashmore, and Margaret Ashmore. Dorothy Brown is teaching them and the two best will get in on the junior high twirling team.

Grade News

FIRST GRADE NEWS

We observed Valentine's Day by having a formal tea party. Four tables were set with a host and hostess at each. Joey Volz, Norman Lien, Jimmy Tviet, and Johnny Blatter acted as hosts and Marilyn Strange, Janice Puh, Diane Schimke and Susan Crabtree were hostesses. Sandwiches, cookies and cocoa were served. Mothers of the following pupils had charge of the lunch: Susan Crabtree, Joey Volz, Judy Spitzer, Richard Rowe, and Marie Jundt's aunt, Mrs. Sheiffele. Very charming table favors of Valentine ladies, consisting of suckers, gum drops, and paper doilies were made by Susan's mother.

Each child brought one Valentine and then drew names for the one they were to receive.

We have changed our reading classes into the following groups: Tveit's Class, Billy's Class, Marilyn's Class, and Boy's Class. Tveit's and Billy's classes have new reading books.

Our student teacher for this week is Mr. Dietz. We hope he will enjoy his work with us.

We were very sad on Thursday morning to hear that Mrs. Billy was called away by the death of her brother. Martha Phillips is our substitute teacher during her absence.

We have made red, white, and blue soldiers, shields, and hatchets for George Washington's birthday.

SIXTH GRADE NEWS

We had our valentine party last Wednesday afternoon. Mrs. Tunis and Celestia Lee were our guests. Mrs. Tunis gave us a very interesting report on U.S.S.R. and China. She showed us many of her souvenirs. We passed out valentines and then had ice-cream, cake, pop, and treats.

Our valentine party was also a going-away party for Phyllis Bertsch. She is leaving this week for California. Her family are planning to make their home there.

Richard Gibson made a trip to Minneapolis. He missed school on Monday.

We started the division "Fun and Fancy" in our reading books. We have been reading the last period of the day and call it our fun class. Many times we have stayed after four to finish an exciting story.

FIFTH GRADE NEWS

We are happy to have Ronald Zimmerman back with us after his vacationing in California. He attended school in Lodi.

We are waging a spelling war and have it nearly conquered. Over three-fourths of the class got above 90 and fifteen got 100 last Friday.

Some of us went to see Kathy Robinson twirl in Aberdeen Saturday night. It was a beautiful sight to see the class of eighty in their striking uniforms. Miss Pat Ryan, the national champion, is their director.

We took off half an hour to distribute our valentines last Wednesday afternoon. We didn't expect to have refreshments but we enjoyed them none the less. Leonard and Lois Bell brought a delicious cake. Dennis Olson brought cookies and Dwayne Gillespie's treat was suckers.

FOURTH GRADE NEWS

Those having perfect spelling lessons this week were Mary Ann Lewis, Tommy Ashmore, Kathleen Nelson, Sharon Spitzer, Sandra Weispfenning, Dickie Peyton, Curtis Neumann.

Mrs. Oxenrider was a pleasant visitor in our room one afternoon.

Birthdays honored this month were those of Freeman Watson and Gary Wright.

We all enjoyed Valentine's Day. We exchanged valentines of cookies, candy, cake, gifts, and those very pretty paper valentines. With our lunch we had pop. Those on the committee were Denna Iron, Wayne Moorhead, Dickie Peyton, Shelia Volz, and Sandra Weispfenning.

Mrs. Devitt and Mr. Dietz have been the student teachers in our room. They taught geography and arithmetic. Mr. Dietz presented a game in arithmetic which we enjoyed.

SEVENTH GRADE NEWS

Our new student teacher is Miss Kirmis.

We had a valentine party last Wednesday. It is the last one we will have before we go into Junior High, and we really enjoyed it.

For history class the following pupils are sketching pictures of pioneer days: John Robinson, Aldine Kirmis, June Olson, Monte Cofell, Dorothy Schaller, Arthur Trautman and Virginia Weispfenning.

Those who have been ill or on a vacation are back in school again.

James Zimmerman has returned from Lodi, California. He gave us an interesting talk on California schools and climate. He also told us about his visit to the General Mills factory. We are looking forward to a talk about the things of interest he saw on his return trip.

Fashions!

Anything in corduroy seems to appeal to both the male and female students of EHS. Weskits, slacks, skirts, suits, and jackets of various lovely shades are being worn by the fairer sex, with rust and dark green taking honors as the most popular colors. Short sleeved sweaters, jersey blouses, and contrasting silk scarves are the favorite "toppers". The majority of the males still prefer blue jeans; flannel shirts, and field boots; some of the braver ones, however, come attired in "cord" shirts and pants. Bob Higgs, Bob Schonberger, Roger Kendall, Jack Helder, Delmer Heine and Stanley Kern are all modeling beautiful cord shirts in reds, rusts, and blues. For the dressy side of life, the gentlemen have selected sports jackets in the season's choice fabrics.

Storm coats are popular with everyone, faculty and students alike. Storm caps have also become the latest; thus far, Newt Davis and Mr. Ringham are the only distinguished men in the head-gear department.

Something not to be overlooked is the new iridescent colors which appear in school in the form of sweaters, socks, shoestrings, and stocking caps. It is a unanimous decision that Melvina Hiepler with her orange sweater, and Delmer Heine with his loud sock wardrobe will be the first victims of iridescence to go blind.

SENIOR PERSONALITIES

Joyce Hokana likes people who are frank, with a lot of humor and people who like her as she is. Her nationality is Finnish.

"Hokey" has brown hair and hazel eyes and stands 5'½" tall. She likes basketball and baseball, any subject pertaining to mathematics, the color blue, chow mein (chicken), sewing and cooking, waltzing and modern dancing, listening to any musical program over the radio, the singing of Al Jolson and Kathryn Grayson. Her favorite book is "The Robe", and she likes any musical movie.

"Hokey" dislikes people who are sarcastic, and people who are always trying to change her.

"Hokey" likes to wear jeans around home, but prefers wearing skirts and sweaters to school. She likes to see boys wear jeans and flashy shirts. The type of boy she likes to see wear these clothes is 6'2". He stands erect, walks in an easy manner and happens to be her ideal.

Continued on the next column

Her secret ambition is to be an airline hostess. Her real ambition is to be a surgical nurse.

She was born April 13, 1933, on a farm.

She was president of her class when she was a freshman, has taken part in speech, dramatics, glee club, and all other activities for the past four years.

Bruce Edwards was born January 3, 1934, in Ellendale. He is 5'7½" tall and has brown hair and hazel eyes. Bruce has played football and basketball for three years. His favorite sports are football and basketball. Bookkeeping is his favorite subject.

He has no hobby, but his pet peeve is people who don't do anything but shoot water guns. His favorite meal is steak and potatoes with gravy.

Tommy Dorsey and his orchestra is tops in music for Bruce, and his favorite song is "Harbor Lights". Jane Powell and John Wayne are his favorites of the screen. Margaret Whiting and Jack Smith are his favorite singers, and his most liked movie is "My Friend Irma". He likes modern dancing and his favorite radio program is "Luigi".

Bruce likes to practice basketball in his spare time. He likes people who are full of humor and have a lot of energy; but he dislikes people who talk too much and who talk about you behind your back.

He attended his first four years of school in Nebraska, and he started attending school here in the fifth grade.

In the near future he plans to farm.

LISBON TROUNCES CARDS, 51-33

Playing their second string through much of the game, a road-weary Lisbon squad trounced the Cards, 51-33.

Lisbon's superior height proved too much for the smaller Ellendale team, as the Broncoes gathered all the rebounds and displayed the best passing and shooting by a high school team seen this season.

The Cardinals held their own for the first half of the first quarter, but then Lisbon came to life, and won.

Against the Lisbon reserves, the Cardinals outscored the Broncoes in the third canto, 13-11.

Don McShane was the big gun for the Cardinals, scoring 15 points on 6 field goals and three gift tosses, while Marley Stahlecker, our freshman varsity member, scored 9.

Trom, 6'1" forward, and Bott, 6'4", led Lisbon's scoring with 14 points each. The whole Lisbon team looked good though, displaying excellent team work.

JUST IMAGINE!

Jack Helder an ice-man?

Arlene Retzlaff with coal black hair?

Eugene Burlingame an organ grinder and Delbert Jury his pet monkey?

Roland Pomplun a history prof?

Douglas Bell our six foot star center?

Delmer Heine not liking a Pehl?

Wayne Chearney wasting time?

Melvin Martinson playing the flute?

Gary Edwards without Betty Brandenburger?

Betty Houghton the calm and casual type?

Shirley Vick with brown eyes?

Gladys Walker weighing two hundred pounds?

The "coach" with long, curly locks?

The high school boys wearing ties every day?

How Gary Tiegs will look with a hair cut?

BURLY'S BRIEFS

Fancies of high school students! Just a few of the numerous particular habits and characteristics of some prominent inhabitants of EHS.

Raymond Barton, for instance, is called "Bar-toon". That rhymes with cartoon. This chubby character enjoys pulling practical jokes on people. Too bad some pranks can't backfire.

I used to delight in being the first one in school mornings. Sometime between seven thirty and eight, Wayne Cherny begins his daily deciphering of lessons. Gad, what some guys won't do for an education!

Then there's Duane Wanttie who toots the first trombone in the band. Some say he would rather play than eat. Well everyone to his taste, but how would a G note taste in a sandwich?

Melvin Martinson, Robert Byrners, Beverly Gerdon, and Lorne Bobbe turned the tables and became southpaws. How would you like to have somebody's left elbow in your eyesocket when eating in a soup joint?

Some very interesting nicknames came up. I wish to introduce Guy "Bubbles" Bobbe. Very cute for this certain Guy.

Maynard Weitala was fortunate enough to get a nice one. "Speed" huh! Why he couldn't even catch cold on a motorcycle.

Flash! During high school don't we all eat, drink, sleep and rarely study?

A quartet consisting of Krieger, Schonberger, Heine, and Davis are perfecting the policy of beating the 1:15 bell by just one or two electrical impulses. A little late in the morning, isn't it boys?

The Cardinal

Volume I, Issue 4

ELLENDALE, NORTH DAKOTA

March 14, 1951

N I MUSIC FESTIVAL

The fourth annual NI Music Festival will be held in Ellendale on April 27. All class B and C schools in the surrounding territories of both North Dakota and South Dakota have been invited to participate. The large groups, such as the bands and glee clubs, will compete in the high school gymnasium, and the instrumental and vocal solos or ensembles will be judged in the college auditorium.

The judge of piano entries comes from Aberdeen and the Valley City college band director will be in charge of the bands. Returning again this year is the music teacher of Northern State in Aberdeen to judge the glee clubs.

The all-day event begins at nine o'clock in the morning and will end in the mid-afternoon at which time the trophies will be awarded. Each entry is given a number of points according to his rating. Superior is the highest rating, with excellent, good, and fair being the other three classes. The two towns, one in Class B and one in Class C, that have the greatest number of points receive the trophies.

SENIOR PERSONALITY

Shirley Ann Lien came to EHS in her senior year. Her pet peeve is people who wear heels with slacks. Her pastimes are reading, cooking, and listening to the radio. She likes people who do not think they are any better than others and who can mix with any group of people.

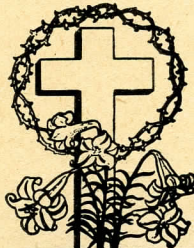

Her pet expression is, "Oh brother!" Shirley was born in Ypsilanti, North Dakota on August 4, 1933.

Her favorite food is chicken, favorite sport is basketball, and her favorite subject is U. S. history. "Her tops of the movies are Betty Hutton and Montgomery Clift; and the radio program which she listens to most is "The Lux Radio Theatre." She likes Tommy Dorsey and his orchestra and the song, "My Heart Cries For You."

Shirley's nationality is Norwegian. The next few years will probably find her working in an office as a bookkeeper.

WHO IS IT?

Member of the Senior class,
President of Teen Canteen,
A mighty likeable lass,
With G. T. she's often seen.

Sunday, March 25, is Easter, the springtime religious festival honoring Christ's resurrection from the dead.

Much of Easter's beautiful meaning has been lost in such trifles as Easter bonnets and spring finery. If everyone the world over would rest upon the true meaning of Easter, we would have peace. To the seniors, this Easter will be a very special one, for it will be the last time we will be taking part in the sunrise service, and for many of us it will be our last Easter at home.

A THOUGHT FOR EASTER:

It must be pretty tiresome and annoying to the Giver of all gifts to hear our "glimme" prayers day after day. It would be more fitting if we devoted half of our prayer time to saying, "Thank you."

NEW SCHOOL SONG

There has always been some talk of writing a new school song, but no one ever did anything about it.

Bob Schonberger and Arlene Retzlaff thought it was about time someone did something about it instead of just talking. They got together after school one day and came up with a song to the tune of "Indiana, Our Indiana."

Marilyn Neuman composed the title, which is "Fame and Glory."

TEEN CANTEEN QUARTET

The Teen Canteen Quartet, composed of Roger Kendall, Bob Schonberger, Eugene Krieger, and Esther Schaller, has had a busy week. They played for the Teen Canteen on Saturday March 3, and on Monday March 5, they entered in the NI Rarities. They won second prize of two dollars, in the group entries. The Quartet again appeared on Tuesday, March 6, at the Hospital Benefit.

ANNOUNCING

JUNIOR FROLICS

The Junior Frolics, which is to be presented sometime in March, will be patterned after the Junior funfests which have been held in previous years. The theme of the program will be "fun for all, and all for fun."

The music portion of the program will consist of a boys' quartet, a vocal solo by Grace Bell, music by an instrumental group and a boys' chorus line with Marilyn Neumann and Norman Aman as the leading couple. In addition to the musical part, there will be two humorous skits by two people and a number of short skits and tricks by one or more members of the junior class. There is also to be a one-act play. The title of the play that is to be presented is, "Father Takes A Wife" by Halo Kasler. The cast of characters is Bob Higgs, who plays the father; Beverley Gordon and Don McShane, who are the daughter and son; Grace Bell, a widow; and Lawrence Beaver, the son of the widow.

The main purpose of the Frolics is to raise money for the Junior-Senior Prom and Banquet and in doing so the class hope to give every one a full evening of pleasure and enjoyment.

TOURNAMENT TALENT

The district tournament brought many interesting exhibitions to the spectators.

On Thursday afternoon Bob Schonberger and his six hilarious, hippy colleagues entertained the crowd with their twirling team. They handled those brooms quite well! Thursday night the Ellendale twirlers turned in their usual good performance, and the Edgeley girls presented an excellent tumbling exhibition.

Friday night an Ellendale group gave a square-dancing exhibition that was well-received by everyone.

The Ellendale high school band was on hand at all times and they were greatly appreciated. How about that "Band Jive"? Pretty nifty, I'd say.

EDITORIAL

The first six weeks of the second semester have gone by and the report cards are out. From the looks on some students' faces and from the remarks heard in the halls, I have been led to believe that the marks were lower than usual. It hasn't been the teachers' fault because other students have been able to keep their marks up. I wonder if the owners of these lower marks have stopped to think what these marks indicate. Could it be that some students have not continued working at full speed and study periods are not being used to proper advantage. If you students have begun to neglect your work when there are still two more six-weeks' periods left, think how much lower your marks will get before school is out.

Since the extra-curricular load has been heavier it has served as a test to the true student. If he can continue to maintain high marks he is worthy to be classed as a true scholar.

When the weather cleared up, many students became victims of spring fever. That was a false alarm kids, so don't start window gazing too early. Spring's a long way off.

SENIOR CLASS MEETING

The seniors held a class meeting Monday morning, February 26.

Mr. Ingvalson urged them to have a few pages of the Redbird ready to send to the company before very long. Members decided that only the seniors shall have their yearbook with white padded covers; the others will be plain covers.

The question of whether or not we would wear caps and gowns this year was also presented to the class. It was decided by unanimous vote that the class should wear caps and gowns for graduation.

PAY YOUR CLASS DUES AT ONCE, SENIORS!

Question of the Week: Why not develop that German band that we hear from while the band are putting away their instruments?

Renee Ann Olson was born Sept. 24, 1933, in Edgeley, North Dakota. She is 5'5 1/2" tall and has blue eyes and light brown hair. Roller skating is her favorite sport. Her favorite subject is anything pertaining to mathematics.

Renee's favorite instrumental group is Sammy Kay and his orchestra. "Be My Love" is her favorite song. On the radio "The Lux Radio Theatre" is the program she listens to most. Her favorites in the movies are Farley Granger and Kathy McDonnell, and her favorite movie is "Our Very Own".

As a pastime, she enjoys playing the piano, reading, and listening to the radio. Putting school events in a scrapbook is her hobby. Tuna fish and noodles is her favorite food.

Renee dislikes people who are loud. Her pet peeve is people who can't take "no" for an answer.

Renee likes to wear slacks and sweaters. Her ideal has black hair and is 5'8 1/2" tall. Her nationality is Scandinavian. Her pet expression is "Gee".

Renee has been a member of glee club and mixed chorus for three years and a member of the high school band for four years. Her future plans are undecided.

Delmer Walter Heine joined the senior class as a freshman. He was born February 28, 1933. He says he likes everybody (unusual, isn't he?) His hobby is building model airplanes.

He has light brown hair and blue eyes and stands 5'11" tall.

Judy is the sophomore girl he would most like to be marooned on a desert island with.

Delmer's nationality is German. His pet expression is "Drop dead." His favorite movie is "The Best Years of Our Lives", his favorite movie stars are Alan Ladd and Joan Evans, his favorite comedian is Bob Hope, his favorite sport is baseball and his favorite song is "My Heart Cries For You". History is his favorite subject. His pastime is figure skating, and his pet peeve is people who don't have a sense of humor.

Delmer likes to wear sports clothes and dress up occasionally, and he likes to see girls wear skirts and sweaters.

Delmer has been a member of 4-H club for seven years and has played tackle on the football team for two years.

As for future plans, he is undecided.

NOTICE!

Answer to question of the week as found in the February 28 issue: "They merely wish to express their joy and appreciation at being free as the birds." Quoted from E. H. Burlingame—better known as "Burlly"

The freshmen have elected new class officers for the second semester. They are as follows: president, Shirley Aberle; vice-president, Robert Schaller; secretary, Blondell Zimmerman; treasurer, Anna Mae Davis; class reporter, Beth Ashmore.

The freshmen are planning a formal party for St. Patrick's Day. The following are on committees: entertainment—Anna Mae Davis, Kathy Jobler, Beth Ashmore; lunch—Barbara Pomplun, Ned Leiby, Jo Ann Woodward, Harlen Stahlecker; decoration—Karen McShane, LaPalma Piegs, Lowell Edwards; clean up—Jean Willis, LaVanna Gerling, Jack Van Sickle, Shirley Aberle. Freshmen may invite special guests.

Yvonne Hilliushas been absent for a few days with a slight touch of tonsillitis.

TID-BITS

Evidence that graduation is rolling around is shown by the lovely new watches Renee Olson, Marlene Olson, Loretta Mintz, and Dorothy Brown are flashing around.

Are the girls in high school getting feeble? It seems that freak accidents are becoming quite common. Marilyn Hagel is sporting a sore ankle which she got while baby sitting. And then there's the case of Shirley Vick. She got all tangled up in a stool with the telephone on top of her. We'll have to ask Shirley about that!

The junior twirling team were majestically ushered into the gym for their twirling performance at the Lisbon game by Bob Schurberger, and Roger Kendall, who very eagerly took over the drums. We wish you boys luck if you ever decide to make drumming your career.

Spring is in the air, and thoughts are turning. Turning where? To out-of-town interests in general. If you need any more information, I refer to Betty Olson Angela Heine, and Marion Zinter.

Jean Debler and Darlene Rexinger like to have their friends' names in writing. The two girls have names embroidered on their white blouses.

Let's briefly review the high school's hit parade:

Ether Schaller to Marvin Griffin—
 "When You Return"

Robert Jury—
 "I Never See Maggie Alone"

Bob Higgs to Beverly Gerdon—
 "Thinking of You"

Dorothy Schneck to Don Mulvaney—
 "And You'll Be Home"

Carolyn Pierce to Orryn Heine—
 "All My Love"

Wanted—To be demoted to the first three grades on blizzard days—High School students.

Kiddie

FIRST GRADE NEWS

On Monday morning we welcomed David Maack back to school after a two weeks' absence, due to chicken-pox. Our attendance otherwise has been very good considering the weather and roads.

Our outside reading books are showing the results of much use. Over half the grade have finished reading fifteen or more pre-primers. Many are now reading their fifth or more primers. We have just begun to realize that reading is fun and makes a good hobby.

The milkmen for this week are Denny Strand, Dickey Rowe, and Gene Miller.

Three times a week we practice for our Rhythm Band. Perhaps it is well to give the H.S. classes above us peace and quiet part of the time. Sh——It is our aim to work very hard so that we can play for our mothers at their next meeting, on Friday, March 16.

This guessing game was a "Double or Nothing". Dennis Mickar, a twin brother to Duane, came to the front of the room and asked us if we could guess what he had. Before we had time to make a guess he told us the answer: TWIN BABY BROTHERS.

North Dakota History?

Jim F. "I've seen the Whitestone Battle Field."

Loren "I'll bet I saw it before you did."

Jim F. "No, sir. I saw it when I was only three years old. There is one tent left."

Loren "I saw it when I was two years old—right after the war and there was five tents left."

SECOND GRADE NEWS

During the last six weeks these people were neither tardy nor absent: John Allen Gebhardt, Alton Hieb, Donald Lewis, John Redlin, Danny Strutz, Raymond Townsend, Sandra Volz. Now with spring and warm weather coming, we are going to try to set a better record to see if we can all be here on time.

This week we are learning about little Dutch boys and girls. We have drawn pictures of them.

Now John Redlin and Ricky Rime have each received seven stars in our arithmetic contest.

The following people are leading in our spelling contest with seven stars: Kenneth Van Sickle, Dale Edwards, Melvin Hall, Sandra Volz, Johnny Martinson, Elizabeth Mehl, Donna Weispfenning, Billy Martinson, John Redlin, Judy Nickolson, Ricky Rime, Winston Bell, and Bonnie Van Dyke.

THIRD GRADE NEWS

Our new Health Chart is up. We have to obey light health rules daily in order to get a nice red star. If we fail to do them, a black star will be placed after our names. Our Health Rules are: (1) Drink at least three glasses of water daily. (2) Go to bed early. (3) Brush your teeth daily. (4) Wash daily. (5) Brush and comb hair. (6) Have a clean handkerchief every day. (7) Wear clean clothes. (8) Drink plenty of milk.

Mrs. Lewis, Alden's mother, visited in our room last week. We were happy to have her.

Mr. Idell Dietz spent last week in our room as a student teacher. He taught our Weekly Reader class on Friday morning.

Dewey Willis is ill, and at the present time is in the hospital at Aberdeen. We miss Dewey and hope he will recover soon and be back in school.

Sharon Anderson brought a treat of suckers to school March 1, because it was her birthday. Sharon was 9 years old. Some time ago Carol Hall brought some cookies because she had a birthday. Carol was also 9.

The following people had perfect attendance last six weeks' period. James Clark, Mary Elaine Crabtree, Karen Fox, Carol Hall, Judy Klein, Alden Lewis, Dwight Moore, Bonnie Vix, and Virginia Vick.

FOURTH GRADE NEWS

Those with perfect spelling lessons for the past six weeks were Sandra Weispfenning, Shelia Volz, Curtis Neumann, Sharon Spitzer, and Diane Irion. Those making a perfect score in the six weeks' test were Dennis Hass, Mary Lewis, Edwin Sand, Wayne Morehead, Kathleen Nelson, Dennis Stucker, and Freeman Watson.

It was a pleasure to have Mrs. Lewis call last week.

A recent birthday in our room was that of Janet Kempf.

Dennis Stucker is back with us again. He spent several days in Aberdeen while his mother was in the hospital there.

Several persons have been absent during the past week due to bad colds.

Once again jumping ropes and marbles have disappeared from our playgrounds because of new snow. We missed two recesses due to the blizzard last week. Winter is still with us.

HOW COME?

You plant tan seeds in brown dirt, green grass grows, a black cow eats it, she gives white milk, and then we make yellow butter from it?

Kapers

FIFTH GRADE NEWS

Loren Crabtree, Wayne Gillespie, Dennis Olson, Gary Townsend and Patty Moore bought season tickets for the tournament.

The pupils who were exempt from the six week examination in spelling because they had perfect lessons during the period were Leonard Bell, Lois Bell, Loren Crabtree, Lois Franz, Karen Klein, Wayne Gillespie, Gary Townsend, and Patricia Watkins.

Miss Betty Schmoor was our student teacher last week. Mr. Dietz is going to be with us this week.

Sharon Stahlecker and Loren Crabtree served as our news reporters. We enjoyed reading The Cardinal very much.

SIXTH GRADE NEWS

We are about through with our six-week tests. The spelling tests turned out very satisfactorily. Meredith Crabtree and Beverly Rogers had 100 in every lesson, including the test.

Cora Lee Grenz, Mary Jo Hall, Patty Strand, Loretta Watson, and Donald Rowe were absent last week because of illness.

The sixth and seventh grades had a basketball tournament with the sixth grade the victors. Bobby Hagen was high score man with 6 points. Billy Ashmore made 4 points. The final score was 15 to 11.

Phyllis Bertsch left last Wednesday.

Miss Kermis taught our history class last Friday afternoon while Mrs. Townsend was gone.

Miss Fischer is our student teacher.

The following students had perfect attendance: Billy Ashmore, Nita Carlson, Leland McClellan, Marvin Robb, and Kemp Tunis.

SEVENTH GRADE NEWS

Well, last week was test week. Now we are looking forward to good marks on our report cards.

Our student teacher is Miss Kermis. She is trying to teach us the right kinds of food to eat to make our bodies strong and healthy. Today we drew the heart with its ventricles and auricles.

Allen Hill and Janet Rogers were absent all week due to illness. Allen is not yet able to return to school.

For literature we are studying "The Man Without a Country." Although we are thoroughly enjoying it, we do feel sorry for Philip Nolan.

BASKETBALL TOURNAMENT

Lisbon won the district tournament held here in Ellendale, March 1-3, by defeating Enderlin 61-54, Saturday evening.

The high-flying Ellendale Cardinals, after losing a well-played contest to the district champs in their first game, out-played both Oakes and LaMoure Saturday to land consolation honors.

A complete recapitulation of the tournament as the games were played is as follows:

KULM vs. LAMOURE

In the first game, Thursday afternoon, Kulm overwhelmed a seemingly off LaMoure quint, 50-30. Kulm led all the way and was never headed.

High pointman for LaMoure was Holt with 11, while Vogel and J. Fisher, with 15 and 12 points respectively, led Kulm.

LISBON vs. ELLENDALE

In Thursday evening's play, Lisbon, eventual champions of the tournament, downed a much smaller, but game Ellendale team, 49-33.

Lisbon employed a zone defense which gave Ellendale an excellent chance to stall at several periods of the game and thus cut down Lisbon's scoring greatly.

The Cards turned in one of their most commendable performances of the season and showed excellent team work.

It should be said that Ellendale's coaching was largely responsible for the team's fine showing against Lisbon, and so at this time I think we should take hats off to Coach Ringham, who has done an excellent job this past year, even though the Cards haven't won many games.

High point men for Ellendale were Higgs with 7, and Beaver (although playing only two and a half minutes because of a leg injury) and Edwards with 6 each. The scoring was very well divided among the team.

Trom and Gamache had 12 points each for Lisbon.

EDGELEY vs. OAKES

In the second game Thursday evening, Edgeley squeezed past Oakes, 39-38, in a thriller that was close all the way, with the lead changing hands several times during the game.

Schnell was high for Edgeley with 12 points, while Foster with 10 and Erickson with 9 points led the Oakes scoring attack.

ENDERLIN vs. KULM

In semi-final play Friday evening, Enderlin topped Kulm by one point, 45-44, in the most thrilling game of the tournament. It was a see-saw battle, in which the outcome wasn't decided until the final buzzer had sounded.

Foss, big Eagle center, sparked Enderlin's attack with 21 points, while Stengel garnered 12 for Kulm.

LISBON vs. EDGELEY

In the second game, Lisbon breezed by Edgeley, 59-40, for the right to enter the finals against Enderlin. The game was close the first half, but Lisbon spurred to victory in the third and fourth quarters.

Schnell had 13 and Deutz and Fenno had 9 points each for Edgeley while Bott with 21 and Trom with 18 led the Broncoes.

ELLENDALE vs. OAKES

In a game that was postponed from 10:30 Saturday morning until 1:00 Saturday afternoon because of the storm, Ellendale, playing perhaps its best game of the season, out-shot, out-passed, and out-guarded its traditional rivals, the Oakes Tornadoes, by the score of 46-40, to enter the consolation finals Saturday evening.

The game was close the first half, but the much improved Cards took command in the third quarter and were never headed from then on. Again the Cards showed excellent team work, and everyone on the team did a fine job.

Danny Slemmons was virtually unstoppable as he made numerous interceptions, and was high for Ellendale with 17 points. Bob Higgs also did a fine job, as he got a good share of the rebounds and added 13 points of his own.

Foster and Parker led Oakes' scoring with 15 and 11 points respectively.

EDGELEY vs. KULM

In the second game Saturday afternoon, Kulm knocked off Edgeley, 46-39, for third place.

It was a fairly close game, and Edgeley had a definite chance until the final minute or two of play.

Rogers with 15, and Deutz with 11 points sparked the Rangers drive, while J. Fisher was high for Kulm with 14 points.

ELLENDALE vs. LAMOURE

In the first game Saturday night, for consolation honors, the Ellendale Cards emerged victorious for the second time that day by defeating LaMoure, 42-34.

The Cardinals very successfully ended the current cage season by displaying the smoothness and fine team work that they have shown throughout the tournament.

It was Ellendale's second hard fought victory of the day, and the Cards never once let up in their persistence to show the potentialities that they have seemingly possessed all season.

Edwards seemed to be everywhere at once in scoring 20 points, while Slemmons scored 12.

Holt had 11, and Anderson 9 points to lead the Lobos offensive force.

LISBON vs. ENDERLIN

In the second game Saturday night, Lisbon won the district championship by defeating Enderlin, 61-54. It was a well-played, fairly close contest in which Lisbon emerged the district champions for the fourth straight year. Both Lisbon and Enderlin won regional berths, however.

King and Foss, with 15 and 12 points respectively, led the Enderlin scoring punch, while Bott with 19, Trom with 17, and Gamache with 15 points shared Lisbon scoring honors.

BURLY'S BRIEFS

The question is: Has spring come back to North Dakota? The little high school prospects downstairs have proved it has. Yours truly saw some boys playing marbles in the mud.

The fog that was floating around a week or so ago obscuring my vision was really thick. On my way to school I barked my shins on seven different car bumpers, missed the schoolhouse, and tripped over a picket fence. Confidentially, my radar set wasn't working.

It seems Robert Schonberger was mopping up some water under a leaky radiator. He went to take it out ever so gently and oops! Bob spilled it again. Bob, you're getting to be as bad as Burlly when it comes to playing with water.

Delbert Jury, the snapshot collector for the yearbook, is carrying his little Brownie around now. Say! Delbert, good cameras cost money or don't you put film in it?

Stanley (Stubby) Kern went out to crank up his model A the other morning. A small matter of a snow-bank greeted him on the front seat. Stub! You're probably lucky you even found the Ford.

Wanted: Some humor to write up in this section. Urgent! Next Monday is the deadline.

Herb Wagner, Stub Kern, Elden Reinke and Wayne Cherney scrubbed the gym playing court, all 608,256 square inches of it. After a few trials like that they could get a job anyplace pushing a brush. These gents can be spotted by the red knees and sore shoulders.

Why is it that Norman Aman is nicknamed "First"? The only time he is first is at the dinner table.

Flash! Coach Ringham received a beautiful red apple in American government class. Put some bananas and oranges with it and have fruit salad, sir. H-m-m-m! I wonder who dun it!

The Cardinal

Volume 1, Issue 5

ELLENDALE, NORTH DAKOTA

March 28, 1951

SPEECH FESTIVAL

On Tuesday evening, March 13 the annual speech festival was held at Edgeley. This festival is sponsored by the Elce Association, which also sponsors the band, play, and choral festivals. The Ellendale selections were as follows:

Informal Essay: "A Day on the Farm"
original—Joyce Hokana
Talk: "A Threat To Our Constitution"
original—Shirley Adams
Poem: "Miracles"—original—Sally Crabtree

After the program, the participants, directors, and superintendents of the various schools were served lunch and Mrs. Clara Ingvalson, the critic, gave constructive suggestions.

ANNOUNCING

SENIOR PLAY CAST

The cast for the senior play, a comedy "Quiet Summer" by Marri-jane and Joseph Hayes, was posted Tuesday. The cast consists of ten girls and eight boys.

Eugene Burlingame plays the part of Mr. James Clark, a prominent young lawyer campaigning for the position of district attorney. Helen Russell, his secretary and girlfriend, is portrayed by Shirley Adams. His visiting niece and nephew, Pamela and Sonny Young, are played by Sally Crabtree and Delmer Heine, respectively. Other members of the cast are Jeanie Day, Helen Hagel; Harriet Morgan, Arlene Retzlaff; Betsy Harrison, Loretta Mintz; Esther Hamilton, Joyce Hokana; Mrs. Lillian Young, Arlene Wedell; Fred-erika Collins, Dorothy Brown; Frances Shaughnessy, Renee Olson; Carrie, Melvina Hiepler; Bill Henly, Derril Wedell; Leslie Gardner, Duane Wanttie; Clifford Young, Gary Tiegs; Tubby Pitts, Guy Robbe; Harry Morgan, Danny Slemmons and Tony, Eugene Krieger.

The action of the entire play is in the study of James Clarke's home near an average-sized western town.

WHO IS IT?

A mighty Senior
Is this blond.
Active in all sports
And of Midge, he is fond.

HONOR ROLL

Seniors—Shirley Adams, Sally Crabtree, Helen Hagel, Melvina Hiepler, Joyce Hokana, Shirley Lien, Loretta Mintz, Arlene Retzlaff, and Daniel Slemmons.

Juniors—Grace Bell, Peggy Hatfield, Marilyn Neumann, Delores Nitschke, Esther Schaller, and Herbert Wagner.

Sophomores—Wayne Cherney, Marilyn Hagel, Yvonne Hatlestad, Angela Heine, JoAnne Kirmis, Judith Pehl, Carolyn Pierce, Raymond Pomplun, De Forest Rall, Joanne Retzlaff, Darlene Rexinger, and Marian Zinter.

LYCEUM

A very interesting program was presented by George Esslinger and his sled dogs. A professional guide, Mr. Esslinger lives in Minnesota near the Canadian border.

Before the war he had a racing team of seven dogs. When the war started, Esslinger and his dogs joined the Air Force and did rescue work in the North.

To illustrate how a sled driver looked in his snow gear, "Al" Trautman was used as a model and dressed in the outfit. Very cute! Mr. Esslinger informed us that his garments were made by the Eskimos, but his suspenders came from J. C. Penney's.

Rollers were attached to the dog sled in order to show how the dogs worked. To start the sled the dogs responded to a whistle signal. The first graders were given rides on the sled. As Mr. Ingvalson and Coach Ringham were very eager to have a ride, Mr. Esslinger consented to please them.

TWIRLING CLASS

Dorothy Brown and Luella Hall have organized a twirling class. It consists of sixty members, ranging from the ages of seven to twelve. Classes are held every Friday afternoon from 3:30 to 5. The class are learning the fundamentals of twirling, and some of the time is spent in marching. It is doubtful however, that they will be able to make a public appearance this year.

CALENDAR OF EVENTS

April 3 Lyceum—Melodeers
April 9 Volley Ball Tourney
(Oakes)
April 13. . . Band Festival—LaMoure
April 27. Music Festival (NI)

SENIOR PERSONALITIES

Delbert Jury dislikes people who are boastful and conceited.

Delbert likes "hopped up" Model A's, auto mechanics, fried chicken, the acting of June Allyson and Jimmy Stewart, the song, "Oh Whata Face", skiing, the singing of Dean Martin and Lena Horne, and the comedian, Jerry Lewis. His favorite movie is "Fighter Squadron", his favorite book is "White Tower", his favorite radio program is "People Are Funny", and he likes Whoopee John and his orchestra.

Delbert was born on a farm near Fullerton on June 24, 1933. He is 5'9½" tall, has light brown hair and blue eyes. His nationality is Swedish.

He likes square dancing and his prize possession is his girl. His pet expression is "That's what I thought you said." His hobby is playing the accordion.

Delbert likes to wear overalls and plaid shirts. He likes to see all girls wear skirts and sweaters. If he were to choose an ideal girl, he would choose one who is 5'2" tall and has blonde hair and blue eyes.

His future plans are to help his father on the farm.

* * * * *

Loretta Mae Mintz was born on a farm near Monango on May 8, 1933. She has snappy brown eyes and brown hair. Her nationality is German and her nick-name is Lorry, as her sister named her.

Her favorite expression is, "Oh, for gosh sakes." Her pet peeve is people who are loud and who giggle constantly in public. Her hobby is collecting glass figurines and salt and pepper shakers.

She doesn't like to cook or dress up. She dislikes people who are sarcastic. Her favorite pastime is reading a good book and eating an apple.

She likes the movie, "Cheaper by the Dozen", the song, "If", the acting of Ronald Reagan and Esther Williams, the color blue, hamburger and mashed potatoes with gobs of gravy. She likes basketball, English, people who have a sense of humor and who are friendly, any mystery book, any musical program, walking in the rain when dressed for it, and she likes to wear old jeans and blouses.

Loretta has been active in glee club, mixed chorus, dramatics, and other activities. She attended Girls State last year.

EDITORIAL

I never mean to make this item funny nor do I mean to be preaching. In this column I try to cover some subject which should be of interest to all students.

Spring, spring, go away. Students are missing classes each day! I don't know if spring is entirely to blame for the absences in school, but I do know that there have been too many.

It seems some students have taken the attitude that if there isn't very much going on in school or if they don't have classes, they can miss school without doing any harm. I know how good it feels to stay in bed late some mornings, but this pleasure must be reserved for weekends.

The students who miss school for no real reason are mistaken if they believe they are doing no harm. First of all they are trespassing on the right of students to be excused for illness or work. Secondly, they are nourishing a bad habit which will hinder them the rest of their lives. When these students go out in the world and begin holding a job, they will be tempted to take a day off whenever they can. No employer will continue to keep such an employee on his pay roll.

We all have to remember that little things grow into big things and remain with us for the rest of our lives.

SENIOR NEWS

The seniors have really been buzzing around the last few days. It seems as though they are all trying to get their pictures taken before March 28, the deadline.

The class want to express their deepest sympathy to Dorothy Brown and her family in the recent passing of her father.

The senior class held a meeting on March 14. The meeting was called to decide upon the class colors, flower, and motto. They also decided the color for their caps and gowns.

To finish the column this time I want to give a few warnings. All seniors must have their pictures in by March 28, make a down-payment on your yearbooks, and get all your yearbook material finished and in.

JUNIOR NEWS

Each month the typing class receives a Competent Typists' Test. Students are allowed to take each test several times. In order to qualify for a Competent Typists' Certificate, they must type for ten minutes with five or less errors. They have now taken the January and February tests and are starting on the March test. So far three junior girls have qualified. They are Marilyn Neumann, Grace Bell, and Shirley Vick. Marilyn and Shirley are to receive 40-word certificates and Grace is to receive a 30-word certificate.

Notice all the smiling juniors' faces, the waving hands, and all the shiny, new rings? Yes, it finally happened! The juniors got their class rings. Most of the rings are plain gold with green gold behind the crest, and the others have red, black or blue stones instead of the green gold. The rings also bear the year and individual initials. They're really pretty nifty. Of course, the juniors think they are the best that old EHS ever turned out!!

SOPHOMORE NEWS

The sophomore phy. ed. girls took third place in the girls' basketball tournament. In the first pairing they were matched with the seniors, who defeated them 20-13. In the consolation game the sophs defeated the freshmen 13-0.

It pays to look up the answers to questions you miss in a test. If you don't believe it, just ask the biology class. In a recent test about one half the class failed. The next morning Mr. Ringham gave the same test, which was to the advantage of those who had previously looked up the answers.

FRESHMAN NEWS

The Freshman party was held Thursday, March 15, but it was not formal. The night's entertainment consisted of dancing and some re-lays.

March 13 the freshman came to school decked out in ties. The girls wore their dads' ties and the boys had on girls' silk scarves. You should wear them more often, boys.

EIGHTH GRADE

A note of thanks to Mr. Wilson for excusing us early on Thursday, March 1, for the game at 4 o'clock.

It seems that some of the boys in the eighth grade aren't satisfied in the back seats at 1:55, which is Coach Ringham's study period, so they move up front. I wonder, could the Coach have something to do with it?

A little bird told me that next year's junior high basketball team will really be loaded with that tall Pat Ashmore.

SENIOR PERSONALITIES

continued from page one.

Isaac Hill likes fishing and hunting more than anything and his greatest dislike is people who have no sense of humor. Isaac has sand brown hair, blue eyes, and is 5'11" tall. His nationality is Finnish.

"Ikey" likes the acting of Robert Taylor and Elizabeth Taylor, 1951 Cadillacs, basketball, physical geography, the singing of Bing Crosby and Jane Powell, "Amos and Andy", the comedian Red Skelton, and Spike Jones and his orchestra. His favorite movie is "Battleground" and his favorite song is, "Mocking Bird Hill." His pet expression is "Drop Dead."

Isaac likes to wear overalls and sports shirts. If he were to choose an ideal girl, he would choose one who is 5'3" tall and has brown eyes, and light brown hair.

Isaac was born in Frederick on March 28, 1933. His pet peeve is people who pop their bubble gum.

He has been an active member in glee club and band for four years. He is our projectionist this year. Great work, Ikey!

After graduating from high school, he intends to go to college in Ellendale.

Chatter

Two senior boys, Derrill Wedell and Gary Tiegs, have been clicking right along the last few days—that is, with the new cameras they received for their birthdays. Congratulations, boys!

There doesn't seem to be any reason for tardiness among the senior girls. The reason? New watches, of course. Arlene Wedell, Shirley Lien, Marian Martin, and Helen Hagel are wearing new time pieces. Very pretty, girls.

Beverly Gerdon has been on vacation the last couple of days. She went to Pierre, So. Dak. with her parents to spend the weekend. While she was there she got a light case of strep throat. She was able to return Wednesday and is with us again.

It seems that the Navy has entered Ellendale High. How about that, Esther? Esther Schaller received a beautiful locket and expansion bracelet with the Navy insignia on it from Marvin Griffin.

Junior high seemed to be rather confused the other day. The girls came to school decked out in boys' neckties, while the boys were arrayed in girls' silk neckscarves.

Advice to high school students who plan to take the day off to go shopping, "Limit your Aberdeen excursions to week-ends."

 Question of the week: Why is it that everyone wears short sleeves on the days it's coldest in the schoolhouse?

FIRST GRADE NEWS

This past week has been a happy one for most of the first grade children.

The Pickar twins, Dennis and Duane, started the week by celebrating their birthdays. Mavis Hartman had her birthday party Wednesday night after school. From hints gathered here and there another party was planned for Saturday afternoon to honor Bonnie McNeil. Could McNeil be Irish, for Saturday was St. Patrick's day!

Wednesday morning we had two special privileges. The first one was to go to the Lyceum number held in the big gym. This proved to be very interesting, since it was about Huskies and their work in snow countries. The second privilege was a thrill and delight, for we were taken for a ride on the sled by a dog team. We were the only class given this unusual ride; however, since Mr. Ingvalson and Mr. Ringham looked so longingly at the sled, the driver reconsidered and gave them a ride also.

One mother visited our room and a reading class. Because of weather conditions, David Maack's mother was free of her teaching duties for one afternoon to take advantage of this opportunity to visit her son's classes here.

Our milk men for the week were Loren Coffell, DelRay Stephens and Norman Lien. Marie Jundt assists with the passing of straws for each bottle served.

At two o'clock on Friday we played our rhythm band for our mothers. After a special treat of milk and cookies we went home; while our mothers remained at school for the remainder of their meeting. Mr. Olson from the NI gave a most interesting talk on "Problems of the Primary Child." Following the business meeting a delicious lunch of home-made cookies and coffee was served.

The hostesses were the mothers of Dickey Rowe and Gordon Morhead and Marie Jundt's aunt, Mrs. Scheuffe. Others attending the meeting were the mothers of Loren Coffell, Susan Crabtree, Maxine Edelt, Jim Franz, Mavis Hartman, Billy Klein, Bonnie McNeil, Carvel Myhrum, Jim Nelson, Janice Puhr, Diane Schimke, Judy Spitzer, DelRay Stephens, Denny Strand, Ryland Syverson, Jim Tveit, Joey Volz, James Volz, James Walsh, Sharon and Karon Weispfenning, and Howard Franz.

Other guests were Mrs. Blanche Whittemore, Supreme Inspector of the Order of Rainbow for Girls, Mrs. May Anderson, County Director of Easter Seal Committee, and Mrs. H. L. Reukauf, our school nurse, and our music supervisor, Mrs. Anna May Hill.

SEVENTH GRADE NEWS on page four

Grade News

SECOND GRADE NEWS

The second grade are proud to report they raised \$6.62 to send to the Crippled Children's home at Jamestown.

Now our room is a scene of Dutch posters and pictures that we have been making while studying about the people of Holland.

Alton Heib brought a treat of candy bars to school because it was his birthday. Alton is 8 years old.

Judy Nicholson's mother, Elaine Molm's mother, Donald Lewis's mother, and John Allen Gebhardt's mother have visited our room. We are happy to have them.

We were sorry to hear that Mike Wallace's grandfather passed away. We express our deepest sympathy to his family.

THIRD GRADE NEWS

We are very anxious to find out what side is going to win in our Health Contest. The pupils are divided into two groups with Dennis Ackerson heading the first group and Mickey Martilla the second group. A point system is used and all members in each group are trying to obey all our health rules. A party is promised to the winning side given by the losing side. Thus far the first group is ahead.

Part of our allowance was spent for books, crayons, and puzzles which were given to Dewey Willis, who had an appendix operation in the St. Luke's Hospital in Aberdeen. Dewey is getting along fine and expects to be back in school next week.

Miss Betty Rodenburg is our student teacher at the present time. She is going to teach our arithmetic class next week.

FOURTH GRADE NEWS

The fourth grade gave \$2.00 to the Crippled Children's Fund. They liked the picture of the work being done for handicapped children.

Mrs. Glancy was our visitor this week.

Those having perfect spelling lessons this week were Tommy Ashmore, Dennis Hasz, Jerald Kline, Mary Lewis, Wayne Morehead, Kathleen Nelson, Curtiss Neumann, Jane Oxenrider, Dickey Peyton, Lyle Robb, Edwin Sand, Harry Scheifele, Sharon Spitzer, Sheila Volz, Freeman Watson, Sandra Weispfenning, and Deanna Irion.

We are tired of winter, so we are making flower pictures in our art class.

We are trying to improve our writing. Perhaps we will have a list of "best" writers next time this goes to press.

FIFTH GRADE NEWS

Dennis Olson, Patricia Watkins, and Rosalie Schaller also had perfect spelling lessons last six weeks. Their names were unintentionally omitted.

We have completed our science book and are now devoting full time to health.

After finishing "Middle America" we are beginning our North Dakota unit.

Lois Bell, Leonard Bell, Dwayne Gillispie, Jimmy Puhr, Katharine Robinson and Rosalie Schaller have been on the sick list.

The Beginners' Band now meets with the Junior Band at 3:15 every Monday, Wednesday, and Friday. The band people in our room are Loren Crabtree, Lois Bell, Gary Townsend, Rosalie Schaller, Leonard Bell, Janice Evans, Ronald Zimmerman, Lois Franz, Katharine Robinson, and Ronald Ackerson.

The Girl Scouts had a birthday party on March 12. We were all seated around an L-shaped table in the kitchen. Mrs. Edwards and Mrs. Reukauf baked two lovely birthday cakes. As we marched in each girl lit a candle on the cake. Miss Kelsh and our leaders, Mrs. Ringham, Miss Schauer, and Darlene Hatfield, were also invited. We had ice cream too! Mrs. Marvick and Mrs. McClellan helped Mrs. Edwards and Mrs. Reukauf serve.

Friday afternoon we saw a moving picture on the Crippled Children's Home in Jamestown. We brought our contributors to be sent to the home.

Another moving picture we recently saw was, "The Mississippi River."

Sharon Carlson and Lois Bell were this week's reporters.

SIXTH GRADE NEWS

The sixth grade Y.C.L. sponsored a film last Friday for the benefit of the "Crippled Children's Home". The film showed the home at Jamestown and the work performed there; also the Mobile unit. The pupils from the second through the seventh grades attended. Each child donated what he wished. We collected the \$20.24.

Mary Jo Hall returned to school Friday afternoon after being ill for several days. She had a set back though and is out of school again.

We made some Easter decorations for our room last Friday afternoon. We made windmills too which we feel are attractive.

Our packet gardens are sprouting. This week we will study the root hairs through a microscope.

Nita Carlson, Cora Lee Grenz, Richard Gibson, Ieland McClellan, Ronald Watkins, Donald Rowe, Patty Strand, Meredith Crabtree, Norman Hagen, and Bobby Babcock had 100 in spelling last Friday.

SPORTS

TOURNAMENT STATISTICS

Here are a few facts on the district tournament that you might be interested in. The results of the tourney were: Lisbon, first; Enderlin, second; Kulm, third; Edgeley, fourth; Ellendale, fifth; and consolation champions LaMoure sixth; and Oakes, seventh.

Lisbon had the most total points with 159 in three games for a 53 point average. Kulm was second with 140 for a 46 2/3 point average. Ellendale was third with 121 and a 40 1/3 point average. Edgeley had 118 for a 39 1/3 point average. Enderlin only played two games but they averaged 49 1/2 points a game and had a total of 99 points. Oakes had 78 points in two games and an average of 39. LaMoure had the lowest average with 32 points a game and lowest total with 64.

Highest individual scorer was Bott from Lisbon with 49 total points and a 16 1/3 point average. Trom from Lisbon was second with 47 points and a 15 2/3 point average. Ellendale's Danny Slemmons was third with 34 points and a 11 1/3 point average. Foss of Enderlin had 33 points in two games and the best average points a game with 16 1/2. Edwards of Ellendale and J. Fisher of Kulm had 32 points for a 10 2/3 point average.

Most points (22) in one game were made by Foss of Enderlin and Bott of Lisbon. Ellendale's Gary Edwards was next with 20 points.

LaMoure had the least total fouls with only 31 in two games for a 15 1/2 average. Ellendale was next with only 34 in three games for a 11 1/3 average for the lowest average fouls a game. Most fouls were committed by Lisbon with 54. Highest average were made by Enderlin with 24 1/2 a game for two games.

Schnell from Edgeley fouled out every game to hold the individual fouling honor with 15. Weaver from Lisbon was a close second with 14.

Kulm had the best average on free shots making 61.5%. Ellendale was second hitting 60.4%. Lisbon, third; Enderlin, fourth; Oakes, fifth; Edgeley, sixth; and LaMoure was last with only 36.4%.

ALL-OPPONENT TEAM

By BOB

Upon conducting a poll among the basketball players for an all-opponent team, the most sportsmanlike crowd, and the cleanest team, the pollsters got the following results:

Dex Trom	Lisbon
DuWayne Bott	Lisbon
John Foss	Enderlin
Curtis Holt	La Moure
Bob Vogel	Enderlin
Laurence Deutz	Edgeley
John Fisher	Kulm
Gene Sleckaway	Britton
Wayne Hieb	Kulm
Gene Gamache	Lisbon
R. Dell Weaver	Lisbon

The preceding were not necessarily in the order in which they were elected. The poll called for ten players, but because of a tie, eleven were named.

Enderlin was unanimously chosen as having the most sportsmanlike crowd.

Chosen as the cleanest team by a wide margin was LaMoure.

WORK! WHAT'S THAT?

It has been reported that we home ec II girls are chatters, but we want you to know that our needles fly as well as our tongues.

We have made approximately 104 garmets, new and remodeled, for members of our families and ourselves. You may see some of these creation on parade in the near future.

The 9 B section is back from the NI this week. Mrs. Brouillard will have to start juggling classes again to get them all into the schedule.

We enjoyed the traveling art exhibit from the North Dakota schools. The Bismarck water colors and the Grand Forks finger painting drew the most favorable comments. We have been attempting modernistic art in some classes. Lois Dorsch is "tops" at this.

SEVENTH GRADE NEWS

We finally received our report cards last week. What a relief for some of us!

Our student teacher for three weeks was Miss Kirmis.

"Mighty Midgets" is the name of our Y. C. L. which was organized last fall.

Our Y.C.L. is going to have a newspaper which will soon be in print. We have agreed to name the paper the "Pi-Weekly Flash."

Allen Hill has been sick for three weeks. We hope to see him back in school soon.

In our art class we are sketching our hands. Soon we will be able to sketch more difficult things.

We have a new student teacher. She is Mrs. Violet Hoffman.

BURLY'S BRIEFS

Another deadline has rolled around. Ransacking through my mind I find one item pleasant enough to print. Hold on tight to anybody handy. No! No! Wanttie, things can be overdone, and besides Luella is turning blue. What I wanted to say (gasp, choke) was, there remain approximately forty days of school. Just think, seniors, only a few more times to climb those stairs of a golden opportunity. Then with a sudden jolt, (it is a surprise) you ascend the graduation platform. On graduation night, all envious ones, please leave eggs, and tomatoes at the door.

Flash! Wanted, To trade my new front seat for one in the rear by a radiator. Contact Delmer Heine after school hours. I say, Delmer, old chap, you will find conditions very much different up here than what you have enjoyed in the past. You will notice I said "past". Delmer is up here for keeps.

It seems that Professor Ingvalson and Coach Ringham have adopted a new hobby since George Esslinger was here. Dog sledding seems to interest them very much. Pardon me, but could I interest you gentlemen in a good used pooch with low mileage and a wag? Huh! Could I?

Derrill Wedell neatly cut the middle finger of his right hand the other night with a pair of scissors. You're supposed to cut paper not meat, Daddy. Joyce Hokana rushed to the bleeding digit with a borrowed band-aid, a transfusion, and a soothing voice.

News on the lighter, or darker, side. How about the junior high party the other night? No lights. Some bulb snatcher inhabits EHS. It could be shocking you know.

Hearing a scream, I turn around to see Marilyn Neumann gripping with horror over a rubber crab. I sympathize with you Marilyn but it wouldn't hurt you, much.

With this thought I leave you, "So long its been good to know ya and its been a longtime since I've been to class."

WOW!

The senior girls took first place in the girls' intramural basketball tournament, which took place March 6 and 7. In the first round the juniors defeated the freshmen, 20 to 13, and the seniors topped the sophomores by a score of 10 to 6. Then on Thursday the sophomores went ~~way~~ over the freshmen and beat them by a score of 13 to 0, and the seniors took first place by defeating the juniors 22 to 10. This left the juniors in second place, and the sophomores in third. The freshmen were left behind in fourth place. Mr. Ringham refereed the games.
